MERN STACK DEVELOPER

Summary

I have completed my diploma in Computer Science. I have also completed my web development course from programming hero. It was a 6-month journey. I have learned how to learn new Technology in a short time. I have also done some front-end and full-stack projects. My teachers and my classmates have always commended me for my hardworking .

Skill Highlights

Expertise   : HTML | CSS | Bootstrap | Tailwind CSS | JavaScript
Comfort   : React JS | Express JS
Familiar   : Node JS | MongonDB
Tools   : Visual Studio | Firebase | npm | git | mongo DB | postman | Netlify
Interpersonal skill : Communication | Active Listening | hardworking

Projects

1. **Chef-Recipe-Hunter | Front-end-project| HTML ,Bootstrap ,React JS, Express JS**
   - There have 6 popular Mexican chefs .and also have their popular recipies
   - I also added a login system to this project you must have to sign up
   - I also added a private route system if you aren't logged in you can't show recipies
   Github-Client-Site|| **Github-Server-Site**|| **Live Link**
2. **Toy Marketplace | MERN-STACK-Project |HTML,React JS ,Express JS,Node JS, MongoDB**
   - There have car toys you can add any type of car toy and also update car toys and also delete car toys
   - I also added a private route system if you are not logged in you can't add car toys also not update toys
   - I also added search query you can search car by using car name. I also added a sorting system to my toys
   Github-Client-Site || **Github-Server-Site** || **Live Link**
3. **Summer Camp | MERN-STACK Project |HTML,React JS,Express JS,Node JS,MongoDB**
   - I have done a dashboard system in this project the dashboard shows different menubar according to user. If you are not logged in you can't see the dashboard because I have added a private route security
   - I also added a payment process system you can enroll in a class with this payment system. you can see your enrolled class. admin can make you instructor/admin
   - Admin can make you instructor/admin. if you are an instructor you can add a class admin who can approved your class.Also denies your class.
